Representative **Mike Winder** proposes the following amendments:

1. Page 2, Lines 41 through 52:

41 (3) A special service district and a municipality required to conduct a feasibility study
42 as described in Subsections (1) and (2) shall {~~hire a feasibility consultant to~~} conduct an initial
43 feasibility study no later than January 1, 2023, and a feasibility study every ten years after
44 January 1, 2023.

45 (4) The legislative body of the municipality and, if the municipality has created an
46 administrative control board pursuant to Section 17D-1-301, the administrative control board
47 of the special service district shall:

48 (a) assign internal staff or select a feasibility consultant to perform the feasibility study ;

49 (b) share the cost of the feasibility study; and

50 (c) require the assigned internal staff or the feasibility consultant to present the findings of the
 feasibility study in a

51 public meeting of the municipality's legislative body and a public meeting of the special service

52 district's administrative control board.

(5) This section does not apply to a municipality and a special service district where the board of
the special service district has the same membership as the municipality's legislative body.
